

Forfeit a Set

If either team is a player short follow these instructions to forfeit a set in singles and/or pairs.

In this example Bilton Batsmen have a player and Harlow Hill do not.

Select the player available for Bilton, **DO NOT** select any player for Harlow (remember, they have no anyone available)

Then select Forfeit/Win

This screen will now appear, select the options as:

Forfeit
Harlow Hill

and then select Continue

If done correctly this will appear confirm the forfeit set - then press OK

It is the same process for pairs, but select the two players for the team with players available and none for the forfeiting team.

IMPORTANT

It is best to use SET 6 to forfeit a singles and SET 7 for a pairs, **DO NOT** leave it until the last set.
